Programme Benefits

ACCA's Certified Accounting Technician (CAT) is a combination of study and practical experience, designed to build your knowledge in accountancy, IT and management.

On completion of this qualification, you will be able to call yourself a *Certified Accounting Technician* (CAT) and use the designation CAT after your name.

You will also be eligible for automatic transfer to the ACCA professional qualification, and entitled to exemptions to Fundamentals Knowledge Level of the examinations.

Syllabus

There are 9 papers, divided into 3 levels, all designed to test the knowledge, skills and understanding you will need to work in accounting support roles.

Examinations at advanced level are equivalent to first year of a university degree and offer a choice of options to suit your career needs.

Duration

12 months to 18 months

Entry Requirements

Minimum age 16 years

For Whom

For school leavers and working adults

Intakes

For Full-Time & Part-Time

JAN MAR JUL SEP

Assessment

There are 2 examination sessions per year - one in June and one in December. Students will be given completely free choice in the order and number of examinations to be taken at each session.

It is possible to sit paper 1 to paper 4 by computer-based examinations. You can sit for these exams outside the June and December sessions and can also receive your results immediately on completion of each examination.
